

Model One+ | DAB+ / FM Table Radio

A DAB Classic

The Model One+ mixes the experience of our analog products with DAB+ technology in a timeless design. The top firing speaker produces high-quality audio that can be enjoyed anywhere in your home, in the kitchen, bedroom, office, or living room. Hands-on controls, including our iconic tuning dial and five available preset buttons, allow you to jump quickly between your favorite stations. The accompanying full-function remote control gives access to more features, including alarm and display settings for the high-quality LED screen.

Now you can enjoy everything that makes the Tivoli Audio Model One a classic, but with Digital Audio Broadcasting.
